

## 25 New Restaurants to Try in Philadelphia

Wondering where to eat tonight or trying to plan your weekend? If you're looking for something new, we've got the answer. Flip through the slide show to check out the most recent notable openings in Philadelphia, in order of launch with the newest first. It's a good time to be dining in Philly.

### **Bank & Bourbon**

The new restaurant in the Loews Hotel will score points with locals and visitors alike, thanks to a deep whiskey list (and house-aging program) along with a solid craft-beer list to pair with chef Thomas Harkin's seasonal American menu. Breakfast, lunch and dinner are all served daily.
